

REDEFINING QUALITY,
TECHNOLOGY AND
INNOVATION IN A
SLIDING PATIO DOOR.

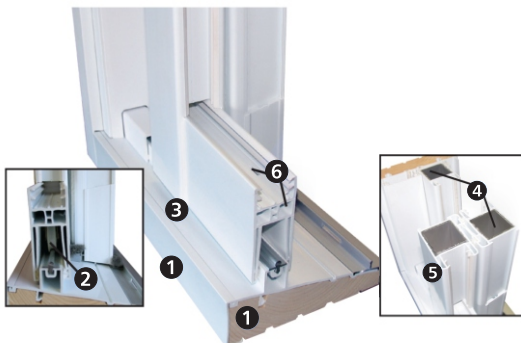

The Sitaline patio door takes you three steps beyond the conventional design and concept of sliding patio doors. Its sleek appearance, durability, and precision engineering is designed for today's generation and beyond. When you purchase a Sitaline patio door, you are also purchasing peace of mind and added value to your home.

Note: Options and Accessories shown on door are available as an extra upcharge.

STANDARD FEATURES

- 5 5/8" or 7 3/8" Vinyl and Wood frame for optimum strength. **1**
- Self-lubricating nylon tandem panel rollers provide smooth gliding action. **2**
- All exposed aluminum is anodized to prevent corrosion. **3**
- Plain stiles and interlocks are steel reinforced. Lock stiles are aluminum reinforced. **4**
- Sash panels are co-extruded with dual durometer flex PVC which surrounds the entire 1" thick I.G. unit for optimum seal and added strength and are field reversible. **5**
- Specially designed drainage system to prevent water from being trapped under I.G. unit. **6**
- Exclusive nylon screen roller system with an independent suspension at all four corners is designed with a side adjustment screw for easy leveling. Each individual wheel is precision-machined using a highly tensile strength plastic material called, Delrin® (Delrin is registered trademark of Dupont.). **7**
- Heavy-duty extruded aluminum screen frame with nylon mesh, is designed for easy removal. **7**
- High performance sill design has a 10° slope for superior water tightness and drainage. **7**
- Eurohandle in White or Black **7**

Colours may not be exactly as shown, contact your dealer for colour samples.

LoE GLASS

Dashwood Sitaline Patio doors feature insulating glass manufactured by Cardinal Glass Industries, a leader in the development and manufacture of advanced residential glass for windows and doors.

Cardinal LoE-180™

- standard on all Sitaline doors
- best total performance for colder climates
- lets the winter sun's heat enter the room while preventing room heat from escaping to the outside cold

Cardinal LoE²-272®

- year round performance
- in winter reflects heat back into the room
- in summer reflects sun's heat and damaging UV rays
- balances summer cooling and winter heating demands

Cardinal LoE³-366®

- 3 layers of Low E coating
- high solar control without a dark tint appearance
- balanced performance for year-round comfort

PERFORMANCE

- CAN/CSA A440
- AAMA/WDMA/CSA 101.1/1.5.2/A440
